Cash Versus Credit,

Or Why Do So Many Ge Be-

I am so unlucky. I am discouraged. I cannot get ahead. Money is hard to get. Everything is so high. Don't talk to me about paying cash and getting out of debt. We know it's discouraging if a person does not try to help themselves. We have invited you to come and we will help you. No one but what can help themselves, if they will investigate. An old soldier, feeble and almost helpless, came to us for advice and help. He was getting behind more and more every month. He was the question of money need not trouble running an account. The bills were the flower lover, at least to such an exlarger and he did not know what was to become of him. We put him on the right track; by buying his goods from us he saved enough in nine months to be entirely out of debt and by paying cash is living within his income and saving money. A lady, who kept a large boarding house, had run in debt at so many places and got so far behind she did not know which way to turn. We pursuaded her to try our system of buying and paying cash. She saved six hundred dollars in a year. We have new customers every day taking advantage of the unusual offers we are making to our customers. Everyone is invited to come and investigate and get helpe d. We are at your service. New, fresh, seasonable goods at prices that will save you money. See the people who are getting along, actually making money. "Oh," you say, "they are lucky. If I had their places I could get along, too" If you would investigate you would no doubt find out how hard a time these same people had until they saved by paying cash. We have a carpenter who gets ten dollars a week. He declares he is laying up money by buying from us. He saves on everything he buys.

We sell sewing machines at a saving of \$5, \$10 to \$25 on each machine. Isn't it worth looking after? We can save you one,two or three dollars on a carpet, according to quality.

Mattings at 121/2, 15, 18 and 25c yard-a saving on every yard.

I was always worke when I over-exerted myself or caught cold. I was feeling quite bad when I got a box of Doan's Kidney Pills at W. H. Styer's drug store on Front street. They did not only relieve and strengthen my back, and remove other sympt ms of kidney trouble, but they seemed to tone my trouble, but they seemed to tone my system up and make me feel physically better and stronger. I felt a good ef-fect from their use in these or four days and had no use for plasters of any kind after taking Doan's Kidney Pills. I have great confidence in them."
